Dear Shareholder

Notice of AGM

I am pleased to send you details of the 2018 AGM of XLMedia which we will be holding on 23 May 2018 at 12 Castle Street, St Helier, Jersey, JE2 3RT, Channel Islands. The meeting will start at 10:00 AM and the formal Notice of AGM is set out on page 6.

If you would like to vote on the resolutions but cannot come to the 2018 AGM, please fill in the Form of Proxy sent to you with this notice and return it to our registrars, Link Asset Services, as soon as possible. They must receive it by 10:00 AM on 21 May 2018. Alternatively, you may appoint a proxy for the AGM through the CREST system. Further details relating to voting by proxy are set out in the notes to the Notice of AGM.

Explanation of the business we will consider at the AGM

The Notice of AGM contains certain items of business which are of a technical nature and are therefore explained below.

Resolution 1

Directors' reports and accounts

The Directors are required to present to the 2018 AGM the Company's accounts for the year ended 31 December 2017 and the reports of the Directors and auditors on those accounts. These are all contained in the Annual Report.

Resolution 2

Re-Appointment of a Director

The Articles provide that any director who has been appointed by the board since the previous annual general meeting shall retire but may offer himself for re-appointment by Shareholders at the next annual general meeting. Mr. Yehuda Dahan was appointed as a director of the Company on 30 January 2018 and shall accordingly retire at the AGM but shall offer himself for re-appointment by Shareholders.

Resolution 3

Re-Appointment of a Director

The Articles provide that any director who has been appointed by the board since the previous annual general meeting shall retire but may offer himself for re-appointment by Shareholders at the next annual general meeting. Mr. Jonas Mårtensson was appointed as an independent non-executive director of the Company on 20 October 2017 and shall accordingly retire at the AGM but shall offer himself for re-appointment by Shareholders.

Resolution 4

Re-Appointment of a Director

The Articles provide that any director who held office at the time of the two preceding annual general meetings and who did not retire at either of them shall retire but may offer himself for re-appointment by Shareholders at the next annual general meeting. Mr. Amit Ben Yehuda, non-

executive director, shall accordingly retire at the AGM but shall offer himself for re-appointment by Shareholders.

Resolutions 5 and 6

Reappointment and remuneration of auditor

These resolutions propose the re-appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the auditor to the Company until the conclusion of the 2019 AGM and authorises the directors to determine their remuneration.

Resolution 7

Authority to issue shares

The Company requires the flexibility to issue or grant options over or otherwise allot of relevant securities of the Company from time to time. In accordance with Article 2.3 of the Articles, the Board has an existing authority which will expire on 24 November 2018 or the conclusion of the 2018 AGM, whichever is earlier. To maintain this flexibility, it is therefore proposed to grant the Directors' authority to issue or grant options over or otherwise allot of up to 73,450,800 Ordinary Shares (being approximately one third) of the issued share capital of the Company as at the Latest Practicable Date), such authority to expire on the date falling 18 months following the passing of this resolution or the conclusion of the 2019 AGM, whichever is earlier.

Resolution 8

Share Scheme Dilution Limits

This resolution proposes that the Rules of the 2013 Global Share Incentive Plan adopted by the Company on 13 August 2013 (as amended on 11 March 2014 (the "**Plan**") be amended such that no award shall be granted on any proposed date of grant if, as a result, the aggregate number of Ordinary Shares issued and remaining issuable pursuant to awards granted under (i) the Plan; and (ii) any other share scheme (as defined in the Articles) that has been, or may be, adopted by the Directors of the Company (together the "**Plans**"), in the ten (10) years preceding such proposed date of grant would exceed ten per cent. (10%) of the Company's issued ordinary share capital on such date. For the purposes of determining the relevant number of shares issued or issuable under the Plans in the ten (10) years preceding such proposed date of grant, Ordinary Shares which are the subject of awards granted on or prior to the date on which the Company's shares were first admitted to trading on AIM (21 March 2014) shall be excluded. This resolution will remain in force until the annual general meeting of the Company to be held in 2024 and brings the dilution limits associated with the Plans in line with the standard usage of up to ten per cent. (10%) of the issued ordinary share capital in any rolling ten (10) year period contained within the UK's Investment Association Principles of Remuneration.

Resolution 9

Disapplication of pre-emption rights

Under Articles 2.4 to 2.8 of the Articles, when new equity securities are proposed to be issued for cash, they must first be offered to existing holders *pro rata* to their holdings. There may be occasions, however, where the Directors may need the flexibility to issue equity securities without a fully pre-emptive offer in order to take advantage of business opportunities as they arise.

Therefore, in accordance with Article 2.10 of the Articles, and subject to the passing of Resolution 7, it is therefore proposed to grant the Directors authority to allot equity securities for cash pursuant to Resolution 7 as if the pre-emption provisions of Articles 2.4 to 2.8 of the Articles did not apply to any such allotment, of up to 22,035,240 Ordinary Shares (being 10 per cent. of the issued share capital of the Company the Latest Practicable Date). This authority shall expire on the date falling 18 months following the passing of this resolution or the conclusion of 2019 AGM, whichever is earlier.

Resolution 10

Authority to purchase own shares

This resolution seeks authority for the Company to make market purchases of its own Ordinary Shares and is proposed as a special resolution. If passed, the resolution gives authority for the

Company to purchase up to 22,035,240 Ordinary Shares, representing approximately 10 per cent of the issued share capital of the Company as at the Latest Practicable Date.

The resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The power conferred by this resolution will expire on the date falling 18 months following the passing of this resolution or the conclusion of 2019 AGM, whichever is earlier.

The resolution will authorise the Company to hold any purchased shares in treasury should it wish to do so otherwise any shares it purchases will be cancelled.

The Directors do not currently have any intention of exercising the authority granted by this resolution. The Directors will only exercise the authority to purchase Ordinary Shares where they consider that such purchases will be in the best interests of shareholders generally.

Further Information

As at the Latest Practicable Date the issued ordinary share capital of the Company was 220,352,402 Ordinary Shares, none of which were held in treasury.

Recommendation

The Directors believe that Resolutions are in the best interests of XLMedia and its Shareholders as a whole. Accordingly, the Board unanimously recommends that you vote in favour of the Resolutions, as they intend to do in respect of their own beneficial shareholdings in XLMedia.

Yours sincerely
