### COVID-19 Measures

It is noted that the Government's measures to restrict travel and public gatherings currently in force include a prohibition against public gatherings of more than two people (the Movement Restrictions). In compliance with the Movement Restrictions, the 2021 AGM will be restricted to two attendees (including the chairman of the meeting), both of whom will be Shareholders or a proxy for a Shareholder or Shareholders for the purposes of forming a quorum and in attendance at a gathering that is "essential for work purposes". All other Directors of the Company and professional advisors will not attend the AGM in person.

I, or anyone else acting as chairman of the meeting, have the power in law and under the Company's articles of association to secure the safety of the people attending the 2021 AGM. Therefore, any Shareholder who seeks to attend the AGM may be refused entry and I, or anyone else acting as chairman of the meeting, may adjourn the meeting because the attendance of any additional Shareholder above the number necessary to form a quorum would be unlawful under the Movement Restrictions. Equally, even if the Movement Restrictions are relaxed, the safety of the people attending the AGM is paramount and, if necessary, the Company may restrict attendance to safeguard the health of attendees.

Please note that the 2021 AGM will be restricted to its formal business only. Therefore, there will be no corporate presentation, Q&A or refreshments.

We will continue to monitor the fast-changing government guidance and provide any appropriate updates via the Regulatory News Service and our website ([www.xlmedia.com](http://www.xlmedia.com)). We anticipate that new laws may be passed to give the Company greater flexibility in the organization of the 2021 AGM to comply with the Movement Restrictions. It is currently the Company's intention to use the full extent of any such laws to safeguard the health and safety of our stakeholders.

Shareholders are strongly encouraged to exercise their vote on the matters of business at the 2021 AGM by submitting a proxy appointment and giving voting instructions as set out on pages 9-12. At

the 2021 AGM, resolutions will be put to vote on a poll, rather than a show of hands. This will result in a more accurate reflection of the views of Shareholders and ensure that your proxy votes are recognised.

If the Movement Restrictions continue to remain in force at the date of the 2021 AGM, Shareholders are invited to submit to me or the Company Secretary any questions they would otherwise have asked at the 2021 AGM through a facility on our website ([www.xlmedia.com](http://www.xlmedia.com)) or by emailing our investor relations mailbox at [ir@xlmedia.com](mailto:ir@xlmedia.com). Such questions will be considered by the Board. The Company will respond to any relevant questions that are received, and may also, if the Board so determines, and subject to any regulatory restrictions, publish on our website a summary of responses to questions received.

### **Explanation of the business we will consider at the AGM**

The Notice of AGM contains certain items of business which are of a technical nature and are therefore explained below.

#### **Resolution 1**

##### *Directors' reports and accounts*

The Directors are required to present to the 2021 AGM the Company's accounts for the year ended 31 December 2020 and the reports of the Directors and auditors on those accounts. These are all contained in the Annual Report.

#### **Resolution 2**

##### *Re-Appointment of a Director*

The Articles provide that any director who has been appointed by the board since the previous annual general meeting shall retire but may offer himself for re-appointment by Shareholders at the next annual general meeting. Mr. Iain Balchin was appointed as a director of the Company on 1 July 2020 and shall accordingly retire at the AGM but shall offer himself for re-appointment by Shareholders.

#### **Resolution 3**

##### *Re-Appointment of a Director*

The Articles provide that any director who held office at the time of the two preceding annual general meetings and who did not retire at either of them shall retire but may offer himself for reappointment by Shareholders at the next annual general meeting. Mr. Jonas Mårtensson shall accordingly retire at the AGM but shall offer himself for reappointment by Shareholders.

#### **Resolution 4**

##### *Re-Appointment of a Director*

The Articles provide that any director who has held office for nine or more consecutive years shall retire but may offer himself for reappointment by Shareholders at the next annual general meeting. Mr. Ory Weihs, non-executive director, shall accordingly retire at the AGM but shall offer himself for re-appointment by Shareholders.

#### **Resolutions 5 and 6**

##### *Reappointment and remuneration of auditor*

These resolutions propose the re-appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the auditor to the Company until the conclusion of the 2022 AGM and authorises the Directors to determine their remuneration.

#### **Resolution 7**

##### *Authority to issue shares*

The Company requires the flexibility to issue or grant options over or otherwise dispose of relevant securities of the Company from time to time. In accordance with Article 2.3 of the Articles, the Board has an existing authority which will expire on 27 November 2021 or the conclusion of the 2021 AGM, whichever is earlier. To maintain this flexibility, it is therefore proposed to grant the

Directors authority to issue or grant options over or otherwise dispose of up to 87,528,714 Ordinary Shares, being approximately one third of the issued share capital of the Company on the Latest Practicable Date, such authority to expire on the date falling 18 months following the passing of this resolution or the conclusion of the 2022 AGM, whichever is earlier.

## **Resolution 8**

### *Disapplication of pre-emption rights*

Under Articles 2.4 to 2.8 of the Articles, when new equity securities are proposed to be issued for cash, they must first be offered to existing holders *pro rata* to their holdings. There may be occasions, however, where the Directors may need the flexibility to issue equity securities without a fully pre-emptive offer in order to take advantage of business opportunities as they arise.

Therefore, in accordance with Article 2.10 of the Articles, and subject to the passing of Resolution 7, it is therefore proposed to grant the Directors authority to allot equity securities for cash pursuant to Resolution 7 as if the pre-emption provisions of Articles 2.4 to 2.8 of the Articles did not apply to any such allotment, up to 26,258,641 Ordinary Shares, being approximately 10 per cent. of the issued share capital of the Company on the Latest Practicable Date. This authority shall expire on the date falling 18 months following the passing of this resolution or the conclusion of 2022 AGM, whichever is earlier.

## **Resolution 9**

### *Authorities for the Company to purchase its own Ordinary Shares*

The Directors believe that it is advantageous for the Company to continue to have the flexibility to purchase its own shares and these resolutions seek authority from shareholders to do so. Purchases of shares by the Company will only be made after careful consideration by the Directors, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion, its overall financial position and the applicable legal requirements which require, among other things, the Directors to be satisfied on reasonable grounds that the Company will, immediately after any purchase, satisfy a solvency test prescribed by the Jersey Companies Law.

Resolution 9 would renew the authorities given to the Directors at last year's AGM. If passed, the resolution gives authority for the Company to purchase up to 39,387,961 Ordinary Shares, representing approximately 15 per cent of the issued share capital of the Company as at the Latest Practicable Date. The resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The power conferred by this resolution will expire on the date falling 18 months following the passing of this resolution or the conclusion of 2022 AGM, whichever is earlier. The Directors will only exercise the authority to purchase Ordinary Shares where they consider that such purchases will be in the best interests of shareholders generally.

The Company can hold any Ordinary Shares which have been purchased by it pursuant to resolution 9, if passed, as treasury shares (subject to any applicable limits) and either resell them for cash, cancel them either immediately or at a point in the future, or transfer them for the purposes of or under an employee share scheme. The decision whether to cancel any shares purchased by the Company or hold such shares as treasury shares will be made by the Directors at the time of purchase, on the basis of the Company's best interests.

The Directors believe that it is desirable for the Company to have this choice. Holding the shares purchased as treasury shares will give the Company the ability to resell or transfer them quickly and cost-effectively and will provide the Company with additional flexibility in the management of its capital base. No dividends will be payable on, and no voting rights will be exercisable in respect of, treasury shares.

## **Further Information**

As at the Latest Practicable Date the issued ordinary share capital of the Company was 262,586,405 Ordinary Shares.

**Recommendation**

The Directors believe that Resolutions are in the best interests of XLMedia and its Shareholders as a whole. Accordingly, the Board unanimously recommends that you vote in favour of the Resolutions, as they intend to do in respect of their own beneficial shareholdings in XLMedia.

Yours sincerely

**Notes:**

As at 5 May 2021 (being the latest practicable date before the publication of this Notice) the Company's issued ordinary share capital consisted of 262,586,405 Ordinary Shares carrying one vote each.

A member who would have been entitled to attend and vote at the meeting convened by the above Notice is entitled to appoint one or more proxies (provided that if two or more proxies are to be appointed, each proxy must be appointed to exercise the rights attaching to different shares) however, in light of the Movement Restrictions all members are encouraged to only appoint the chairman of the meeting as their proxy to exercise all or any of that member's rights to attend and to speak and vote instead of him or her as any other persons appointed as proxies may not be admitted to the meeting to the extent that there would be more than two physical persons attending. When two or more valid proxy appointments are delivered or received in respect of the same Ordinary Shares, the one which was last delivered or received shall be treated as replacing or revoking the others as regards such Ordinary Shares, provided that if the Company determines that it has insufficient evidence to decide whether or not a proxy appointment is in respect of the same share or which was last delivered or received, it shall be entitled to determine which proxy appointment (if any) is to be treated as valid. A proxy need not be a member of the Company but as noted above you are strongly encouraged to appoint the chairman of the meeting as your proxy rather than another person to ensure that your votes are represented at the meeting.

To vote and appoint a proxy you may:

- Submit your proxy appointment and voting instructions electronically by accessing the shareholder portal at [www.signalshares.com](http://www.signalshares.com), logging in and selecting the 'Vote Online Now' link. You will require your username and password in order to log in and vote. If you have forgotten your username or password you can request a reminder via the shareholder portal. If you have not previously registered to use the portal you will require your investor code ('IVC') which can be found on your share certificate or dividend notification.
- Request a hard copy form of proxy directly from the registrars, Link Group on Tel: 0371 664 0300. Calls to Link Group with respect to the proxy cost 12p per minute plus your phone company's access charge. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales. Any hard copy Form of Proxy must be returned to Link Asset Services at the address below.
- If you hold your shares in uncertified form, use the CREST electronic proxy appointment service in accordance with the procedures set out in the CREST manual using CREST ID: RA10.

To be valid, a proxy appointment must be made in one of the ways set out above so as to be received as soon as possible by the Company's registrar, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL but in any event so as to be received by Link Group by 10:00 AM on 25 May 2021.

The Company, pursuant to the Companies (Uncertified Securities) (Jersey) Order 1999, specifies that only those members entered on the register members of the Company as at close of business on 25 May 2021 shall be entitled to attend or vote at the meeting in respect of shares registered in their name at that time. Changes to entries on the register after close of business on 25 May 2021 shall be disregarded in determining the rights of any person to attend or vote at the meeting.

In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
