Dear Shareholder

Notice of AGM

I am pleased to send you details of the 2019 AGM of XLMedia which we will be holding on 29 May 2019 at 12 Castle Street, St Helier, Jersey, JE2 3RT, Channel Islands. The meeting will start at 9:00 AM and the formal Notice of AGM is set out on pages 8 and 9.

If you would like to vote on the resolutions but cannot come to the 2019 AGM, please fill in the Form of Proxy sent to you with this notice and return it to our registrars, Link Asset Services, as soon as possible. They must receive it by 9:00 AM on 27 May 2019. Alternatively, you may appoint a proxy for the AGM through the CREST system. Further details relating to voting by proxy are set out in the notes to the Notice of AGM.

Explanation of the business we will consider at the AGM

The Notice of AGM contains certain items of business which are of a technical nature and are therefore explained below.

Resolution 1

Directors' reports and accounts

The Directors are required to present to the 2019 AGM the Company's accounts for the year ended 31 December 2018 and the reports of the Directors and auditors on those accounts. These are all contained in the Annual Report.

Resolutions 2 and 3

Reappointment and remuneration of auditor

These resolutions propose the re-appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the auditor to the Company until the conclusion of the 2020 AGM and authorises the Directors to determine their remuneration.

Resolution 4

Authority to issue shares

The Company requires the flexibility to issue or grant options over or otherwise dispose of relevant securities of the Company from time to time. In accordance with Article 2.3 of the Articles, the Board has an existing authority which will expire on 23 November 2019 or the conclusion of the 2019 AGM, whichever is earlier. To maintain this flexibility, it is therefore proposed to grant the Directors authority to issue or grant options over or otherwise dispose of up to 69,967,835 Ordinary Shares, being one third of the issued share capital of the Company on the Latest Practicable Date, such authority to expire on the date falling 18 months following the passing of this resolution or the conclusion of the 2020 AGM, whichever is earlier.

Resolution 5

Disapplication of pre-emption rights

Under Articles 2.4 to 2.8 of the Articles, when new equity securities are proposed to be issued for cash, they must first be offered to existing holders *pro rata* to their holdings. There may be occasions, however, where the Directors may need the flexibility to issue equity securities without a fully pre-emptive offer in order to take advantage of business opportunities as they arise.

Therefore, in accordance with Article 2.10 of the Articles, and subject to the passing of Resolution 4, it is therefore proposed to grant the Directors authority to allot equity securities for cash pursuant to Resolution 4 as if the pre-emption provisions of Articles 2.4 to 2.8 of the Articles did not apply to any such allotment, up to 20,990,350 Ordinary Shares, being 10 per cent. of the issued share capital of the Company on the Latest Practicable Date. This authority shall expire on the date falling 18 months following the passing of this resolution or the conclusion of the 2020 AGM, whichever is earlier.

Resolution 6

Authorities for the Company to purchase its own Ordinary Shares

The Directors believe that it is advantageous for the Company to continue to have the flexibility to purchase its own shares and these resolutions seek authority from shareholders to do so. Purchases of shares by the Company will only be made after careful consideration by the Directors, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion, its overall financial position and the applicable legal requirements which require, among other things, the Directors to be satisfied on reasonable grounds that the Company will, immediately after any purchase, satisfy a solvency test prescribed by the Jersey Companies Law.

Resolution 6 would renew the authorities given to the Directors at last year's AGM. If passed, the resolution gives authority for the Company to purchase up to 20,990,350 Ordinary Shares, representing approximately 10 per cent of the issued share capital of the Company as at the Latest Practicable Date. The resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The power conferred by this resolution will expire on the date falling 18 months following the passing of this resolution or the conclusion of the 2020 AGM, whichever is earlier. The Directors will only exercise the authority to purchase Ordinary Shares where they consider that such purchases will be in the best interests of shareholders generally.

The Company can hold any Ordinary Shares which have been purchased by it pursuant to resolution 6, if passed, as treasury shares (subject to any applicable limits) and either resell them for cash, cancel them either immediately or at a point in the future, or transfer them for the purposes of or under an employee share scheme. The decision whether to cancel any shares purchased by the Company or hold such shares as treasury shares will be made by the Directors at the time of purchase, on the basis of the Company's best interests.

The Directors believe that it is desirable for the Company to have this choice. Holding the shares purchased as treasury shares will give the Company the ability to resell or transfer them quickly and cost-effectively and will provide the Company with additional flexibility in the management of its capital base. No dividends will be payable on, and no voting rights will be exercisable in respect of, treasury shares (although any shares transferred for the purposes of or under an employee share scheme, will not be caught by such restrictions).

Further Information

The Company's issued share capital, as of the Last Practicable Date, consists of 220,352,402 Ordinary Shares of which 10,448,897 Ordinary Shares are held by the Company as treasury shares without voting or economic rights and disregarded for the calculation herein. Therefore, the number of Ordinary Shares in issue as of the Last Practicable Date is 209,903,505 (excluding treasury shares).

Recommendation

The Directors believe that Resolutions are in the best interests of XLMedia and its Shareholders as a whole. Accordingly, the Board unanimously recommends that you vote in favour of the Resolutions, as they intend to do in respect of their own beneficial shareholdings in XLMedia.

Yours sincerely

Additionally, the Company holds 10,448,897 Ordinary Shares as treasury shares without voting rights.

A member entitled to attend and vote at the meeting convened by the above Notice is entitled to appoint one or more proxies to exercise all or any of that member's rights to attend and to speak and vote instead of him or her provided that if two or more proxies are to be appointed, each proxy must be appointed to exercise the rights attaching to different shares. When two or more valid proxy appointments are delivered or received in respect of the same Ordinary Shares, the one which was last delivered or received shall be treated as replacing or revoking the others as regards such Ordinary Shares, provided that if the Company determines that it has insufficient evidence to decide whether or not a proxy appointment is in respect of the same share or which was last delivered or received, it shall be entitled to determine which proxy appointment (if any) is to be treated as valid. A proxy need not be a member of the Company.

To appoint a proxy you may:

- (a) use the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be received by post or (during normal business hours only) by hand at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU in each case no later than 9:00 AM on 27 May 2019; or
- (b) if you hold your shares in uncertified form, use the CREST electronic proxy appointment service in accordance with the procedures set out in the CREST manual using CREST ID: RA10.

Completion of the Form of Proxy or the appointment of a proxy electronically through CREST will not prevent a member from attending and voting in person.

The Company, pursuant to the Companies (Uncertified Securities) (Jersey) Order 1999, specifies that only those members entered on the register members of the Company as at close of business on 27 May 2019 shall be entitled to attend or vote at the meeting in respect of shares registered in their name at that time. Changes to entries on the register after close of business on 27 May 2019 shall be disregarded in determining the rights of any person to attend or vote at the meeting.

In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
